Dear Nordic friends

In recent years there has been great development in construction of sport facilities in Reykjavik.

A new indoor arena for athletics was recently opened in Reykjavik which has made it possible to stage international meetings. The Nordic Veteran Indoor Championships in Reykjavik 2008 will take place in our new arena and will be the largest international indoor meet in athletics ever held in Iceland.

The arena is situated in Laugardalur in Reykjavik, within walking distance from many of the main hotels in Reykjavik. Close by are restaurants, a Gym and a swimming pool.

Soon we will open a homepage on the internet for the Championships. All information on the Championships will be posted there together with some information about Iceland.

We welcome you to Reykjavik for the Championships in 2008 and hope you will have a great time in Iceland.

Arnthor Sigurdsson
President of the Icelandic Athletic
Federation

Óskar Thorarensen
President of the Veteran C.
